Ms. Kyleigh Lipira  
Chief Executive Officer  
Melanoma Research Foundation  
1420 K Street NW, 7th Floor  
Washington, DC 20005

Dear Ms. Lipira and Staff:

Thank you for hosting me at the Melanoma Research Foundation Hill Day event. I enjoyed speaking to your fantastic group of advocates and am deeply honored to receive the Congressional Champion award. Working with all of you on melanoma and skin cancer issues has been a privilege, and I look forward to continuing our fight towards eradicating melanoma.

As I announced at the event, I plan to introduce legislation to prevent minors from using tanning beds, and I am deeply grateful to have you as an ally in that fight!

My office and I appreciate your continuous and tireless efforts. Thank you very much for all the hard work you do.

Warmest regards,

  
CAROLYN B. MALONEY  
Member of Congress
