Suggested Bequest or Trust Language

...to be used in your Will, Trust, and beneficiary designations.

"I give...

- the sum of \$_____ OR
- all the rest, residue and remainder of my estate OR
- _____% of the rest, residue and remainder of my estate

to the MELANOMA RESEARCH FOUNDATION, a national non-profit tax-exempt organization under 501(c)(3) of the Internal Revenue Code (Federal Tax ID# 76-0514428), to be used:

- for its general purposes OR
- to support the endowment OR
- as specified in a separate Gift Agreement* on file with the MRF."

*A **Gift Agreement** ("GA") is the governing gift instrument between you and the Melanoma Research Foundation, that addresses specifics on when and how your gift will be used. ***If you wish the gifted amount to be held as a permanent endowment this desire needs to be expressly stated in the GA or other gift instrument.*** An endowment is invested and a percentage is distributed each year while the remaining is reinvested to ensure the gift continues to payout into perpetuity. You may amend the GA without the necessity of amending your Will or Revocable Living Trust.

If your estate includes payment from IRD assets (Income in Respect of a Decedent—such as IRAs, retirement plan assets, savings bonds and installment contracts), the use of this type of asset to satisfy your charitable gift to the MRF may produce the best income tax result for the other beneficiaries of your estate. Please consult your attorney for language to best accomplish your goals. You also may wish to discuss with your attorney any advisable coordination between beneficiary designations and your Will or Revocable Living Trust (e.g., see suggested language below).

Sample Will or Revocable Living Trust language to protect against erosion of retirement plan/ IRA gifts due to required minimum distributions and/or investment value declines:

"I have designated the Melanoma Research Foundation (MRF) as a beneficiary of my retirement plan or individual retirement account to receive a gift of not less than \$_____ (Minimum Gift Amount). In the event the actual gift amount from this beneficiary designation does not equal or exceed the Minimum Gift Amount, I make a specific bequest in an amount equal to the difference between the Minimum Gift Amount and the actual gift amount to the MRF. For purposes of determining the amount of this gift, any and all beneficiary designations naming the MRF shall be considered collectively."
