EYES ON A CURE:

Ocular Melanoma Patient and Caregiver Symposium

April 1–3, 2022

Tampa, Florida and virtually

The Melanoma Research Foundation's (MRF) CURE OM Initiative and the H. Lee Moffitt Cancer Center present the 2022 Annual Eyes on a Cure: Patient and Caregiver Symposium in Tampa, Florida!

Join us for this three-day event to learn the latest in OM research and treatment, and participate in educational and community support sessions.

Scan the QR code to register and stay up-to-date on meeting details.

CURE OM is the MRF's initiative which aims to accelerate and support research, increase awareness and education, and provide support to the OM community.
